Extended	Unrestricted	Unrestricted	Unrestricted	Unrestricted	Unrestricted	Unrestricted

LINDO SYSTEMS INC.

Solver Suite – Introductory versions of all three products for \$195

Product	Constraints	Variables	Integers	NL Variables	Global Variables
LINDO API	250	500	50	50	5
LINGO	250	500	50	50	5
What'sBest!	250	500	50	50	5

Base Version – Solves linear and integer models. Includes Primal and Dual Simplex algorithms.

Barrier Option – Solves linear and Quadratic models. Includes a Barrier/Interior Point solver for solving Quadratic and Quadratically constrained models and provides an alternative method of solving linear models that may be faster than the Simplex solvers included in the Base version.

Nonlinear Option – Solves Nonlinear models to a locally optimal solution. Includes a nonlinear solver that employs both successive linear programming (SLP) and generalized reduced gradient (GRG) methods.

Global Option -- Solves Nonlinear models to a globally optimal solution. Includes Multi-start solver and guaranteed global optimization solver. The Global option requires the Nonlinear option.

Stochastic Programming Option – Solves optimization models with uncertain elements via multistage stochastic linear, nonlinear and integer stochastic programming.

Conic Option – Solves Second Order Cone (SOC) programming models. The Conic option requires the Barrier option.

Our Guarantee

If you are not completely satisfied with your LINDO Systems, Inc. software product, you may return it within 60 days for a no questions asked refund.

Licensing Options

The prices listed above are for single user licenses. Site and network licenses, runtime licenses, volume discounts, and educational versions are available. Please contact us for information.

Platforms Supported

All versions available for current 32 and 64-bit Windows environments (Windows 2000, XP, Vista, 7). LINGO and LINDO API are also available for 32 and 64-bit Linux platforms. LINDO API is additionally available for 32 and 64-bit Solaris and Mac x86 platforms. Other platforms available on request.

Upgrade/Update Policy

You may, at any time, upgrade to a larger version of the same product for the difference in price (plus \$25 if after 60 days). An upgrade will include an update to the latest release of the product at no additional cost. Updates of a product to the newest release are available for 20% of the current list price for the product being updated (minimum \$50).

Taxes/Duties

Please include 10.25% sales tax on shipments to Illinois only. Please note that international orders may be subject to taxes and/or duties at time of delivery and that all such duties and taxes are the responsibility of the recipient.

Shipping and Payment Options

Contact LINDO Systems for overseas shipping rates, as well as faster courier shipping and multiple quantity shipping rates. Payment can be made in advance by credit card, check (U.S. Bank Draft preferred), International Money Order, or wire transfer. Purchase Orders accepted from U.S. firms and established credit customers.
